Silhouette® Shades

Gentle translucency for an endless variety of moods

Three products in *one*; Venetian blind, sheer & shade

Soft as silk, elegant as a curtain and practical as a Venetian blind. The ingenious construction of Silhouette® Shades, with translucent voile to the front and back, allows light to gently filter into your home while improving your privacy.

3467

With multiple vane widths and an optional aluminium headrail and bottom rail, you can customise your Silhouette® Shade to perfectly complement your size and style of window. A variety of textures are available for the horizontal vanes including natural linens, a Bon Soir room-darkening textile and even an exclusive Silver Metal fabric that gives a high-end designer look. A selection of subtle colours and a choice of vane textures provide a tempting range of options to coordinate with your existing décor, ensuring a totally stylish look.

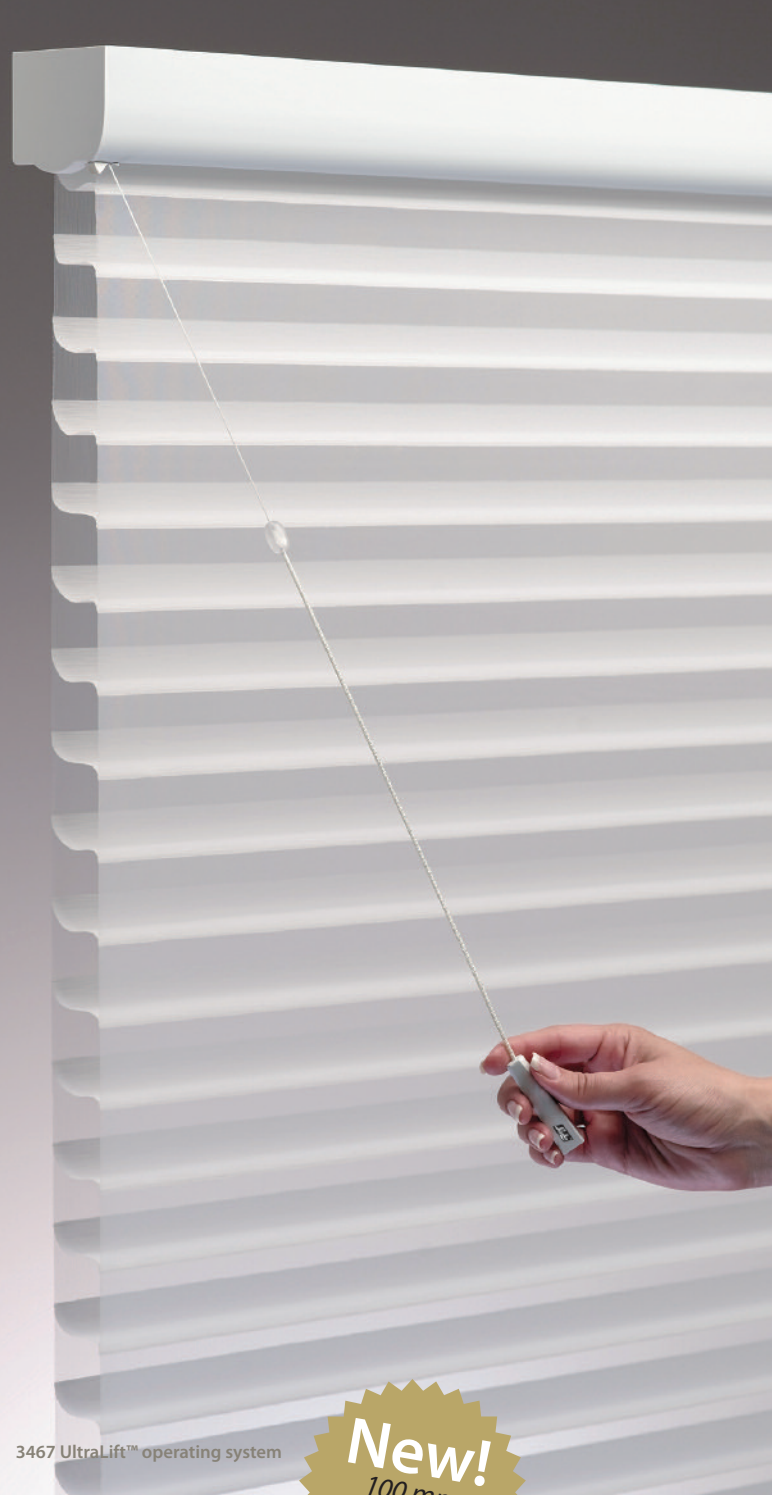

New: *100 mm* vane size and UltraLift™

The new 100 mm vane size is perfect for rooms with larger windows and expansive views and offers a 'soft shutter' look while adding interest to the room. Superior view-through, light control, style and quality, all in one, for a completely unique experience. The 100 mm vane size offers maximum views with the vanes open while still providing complete privacy when the vanes are closed. Available in 10 popular colours in the Originale and Bon Soir fabric collections.

3467 UltraLift™ operating system

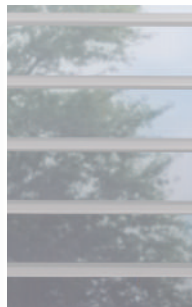

New!
100 mm
vane size &
UltraLift™

50 mm: Subtle elegant design sense for any room

75 mm: Exclusive look and enhanced view-through

100 mm: Superior views ideal for larger windows

UltraLift™

The revolutionary UltraLift™ operating system uses a retractable cord mechanism to raise, lower and tilt the shade. UltraLift™ provides a clean look, enhanced beauty and increased operating comfort, available on 50 mm and 75 mm Silhouette® Shades.

Vane sizes for every window

Extending the versatility of the Silhouette® Shades collection even further, the 50 mm and 75 mm width vanes are now joined by a new 100 mm width option. These are perfect for spacious rooms, where they beautifully balance the proportions of larger windows.

Silver Metal design

For a truly high-end designer look, choose the stunning effect of the innovative Silver Metal shade. This chic, silver grey, semi-transparent sheer is available in the 75 mm vane width and is supplied with a colour coordinated, brushed aluminium head and bottom rail.

PowerRise®: Ultimate operation comfort

If the flick of a switch is more your style, you can choose a motorised system with a 24V motor and switch or a PowerRise® battery-operated remote control handset.

Easy operation

Simplicity itself, Silhouette® Shades are operated with a single pull cord, controlling the raising and lowering of the blind, together with the tilting of the vanes. A strong, endless cord ensures a smooth and quiet action, complimented by a colour coordinated cord weight.

UV protection

Silhouette® Shades shield furnishings and wood floors from the sun's harmful ultraviolet rays, even when the vanes are open. Silhouette® Shades provide up to 88% UV protection with the vanes open and 99% with the vanes closed.

Colour coordination

Attention to detail is paramount to Luxaflex® and this extends to every aspect of our stylish Silhouette® Shades. Every visible part is produced in colour coordinated tones, from the headrail to bottom rail plus the cords and weights.

Choose Luxaflex® Window Styling for a unique quality product with a five-year guarantee. Luxaflex® Window Styling offer a wide range of attractive window coverings with an extensive choice of materials, colours, designs, finishes and control options. Your dealer will ensure that your Luxaflex® products are tailor-made to your requirements, and that they are delivered to your home quickly and reliably.
